

industcards Card Sponsorship

Pricing and Deliverables

The minimum order size is 500 cards. Editorial and mechanical costs are \$245 for 500 cards or \$355 for 1,000 cards. Other quantities are quoted on request.

Card dimensions are 3.5in X 2.5in. Printing is typically on good-two-side stock and the cards are laminated on both sides. Shipping is charged at cost. Color proofs are available, but additional charges may apply.

Note that these prices are for digital printing. Offset printing is available at approximately three times the cost.

Editorial and Production

The customer provides the photographs -- ***industcards*** prepares the editorial material and designs the cards. Color images of the draft cards are posted online during the development process. Cards are printed and shipped after receipt of online image and/or proof approval.

Terms and Conditions

By supplying a photograph in physical or electronic form to ***industcards***, the customer warrants that they have reproduction rights for the image supplied. In placing an order, the customer agrees that ***industcards*** has the right to sell or otherwise distribute "overrun" cards unless specified.

industcards holds the copyright for the cards and electronic card images. Pricing is subject to change without notice.
